

Hi Michael,

Apologies I am unable to attend your AGM but from what I hear it is a well utilised service.

I do not have all the facts related to Goodwood Community Centre so would find it hard to commit to those items in the questionnaire, however, I would provisionally agree with all questions asked in principle (i.e. yes response).

I am a strong supporter of all the city of Unley's community centres, and libraries also.

I'd be very happy to meet you should I be successful in becoming elected member for Parkside.

Kind regards,

Luke Doyle
